

Great Change

Opening to Infinite Possibilities & Potential

Featured Speaker: Kevin Lockwood

*We are creatures of habit, comfort, and security.
Yet, as co-creators of Source manifesting into form,
every moment is unfolding with the uncertainty of
infinite possibilities and potential.*

How do we open with ease and grace into that?

“All great changes are preceded by chaos.”

~ Deepak Chopra

cha·os

noun – a state of being

- **COMMON USE:** complete disorder and confusion

cha·os

noun – a state of being

- **COMMON USE:** complete disorder and confusion
- **PHYSICS:** formless matter before creation; so unpredictable that it appears random

cha·os

origin

FRENCH

GREEK

khaos

vast emptiness, void

LATIN

chaos

Chaos: Void, Abbyss, Nothingness

- GREEK COSMOLOGY: the emptiness of the universe before creation
- SPIRITUAL MYSTICISM: the pure consciousness and undifferentiated reality in which the emptied mind reflects or manifests

“All great changes are preceded by chaos.”

→ opening into the Void; the vast infinite potential of Source manifesting into form in logically unpredictable ways

“All great changes are preceded by chaos.”

opening into the Void; the vast infinite potential of Source manifesting into form in logically unpredictable ways

Humanity's Experience (Personal & Business)

80%

chaos: *complete disorder and confusion*

20%

Chaos: *flowing possibilities and potential*
